WHO WE ARE

LGBT Health Services is committed to meeting the special health care needs of the lesbian, gay, bisexual and transgender (LGBT) community with respect and compassion. We provide an array of health, referral and educational services, promote LGBT health equity and access to care, and develop effective partnerships with LGBT organizations, agencies and allies.

Beth Israel Medical Center has been consistently acknowledged by the Human Rights Campaign—a national leader in LGBT advocacy—for our efforts in caring for LGBT patients and recognizing the contributions of our LGBT staff.

WHAT WE OFFER

- **Information, Referral and Patient Navigation** for LGBT patients and consumers
- **Outreach and Health Education** for LGBT organizations and communities in New York City
- **Professional Education and Training** for providers in LGBT health care topics
- **Advocacy for LGBT Health Equity** with local and national health policymakers, researchers and educators
- **Sponsorship of LGBT Events and Activities**
